This license applies to the evaluation version of Vbsedit. If you do not have an evaluation version of VbsEdit, see the section below titled "Vbsedit Standard License".

Your Agreement to this License

You should carefully read the following terms and conditions before using, installing, copying, distributing, or transmitting this software. By using, installing, copying, distributing, or transmitting Vbsedit ("Vbsedit"), you agree to all of the terms of this agreement ("License").

Please read the license terms below. If you do not agree to all of the terms of this License, then do not use, install, copy, distribute, or transmit Vbsedit.

Scope of License

This is not free software. Subject to the terms below, you are hereby licensed by Adersoft to use one copy of Vbsedit, on one (1) computer or workstation, for evaluation purposes without charge for a period of 21 days. If you use this software after the 21-day evaluation period, a license fee is required. Payments must be processed through Digibuy.com or Swreg.org. Use of Vbsedit after the 21-day evaluation period without payment of the license fee is a breach of this License and a violation of international copyright laws.

Subject to all of the terms of this License, you may, without making any payment to Adersoft:

- a) give exact copies of this evaluation version of Vbsedit personally to anyone;
- b) distribute exact copies of this evaluation version of Vbsedit, if done exclusively through electronic channels; and
- c) make as many exact copies of this evaluation version of Vbsedit as you wish, for purposes of distribution as described in (a) and (b) above.

You are specifically prohibited from charging, or requesting donations, for any copies, however made, and from distributing such copies with other products of any kind, commercial or otherwise, without prior written permission from Adersoft. Adersoft reserves the right to revoke the above distribution rights at any time, for any or no reason.

All rights of any kind in Vbsedit which are not expressly granted in this License are entirely and exclusively reserved to and by Adersoft. Vbsedit is protected by the French copyright laws and other applicable laws and treaties. You may not rent, lease, sublicense, modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on, Vbsedit, nor permit anyone else to do so. You may not make access to Vbsedit available to others in connection with a service bureau, application service provider, or similar business, nor permit anyone else to do so.

Warranty Disclaimers and Liability Limitations

Vbsedit, and any and all accompanying software, files, data and materials, are distributed and provided "AS IS" and with no warranties of any kind, whether express or implied, including, without limitation, any warranty of merchantability or fitness for a particular purpose. Adersoft does not warrant, guarantee, or make any representations regarding the use of, or the results of the use of, Vbsedit. Adersoft does not warrant that the operation of Vbsedit will be uninterrupted or error-free. You acknowledge that good data processing procedure dictates that any program, including Vbsedit, must be thoroughly tested with non-critical data before there is any reliance on it, and you hereby assume the entire risk of all use of the copies of Vbsedit covered by this License. ***This disclaimer of warranty constitutes an essential part of this License.***

Except to the extent expressly prohibited by applicable statutes, Adersoft shall not be liable for any damage or financial loss arising out of the use of, or inability to use, Vbsedit. Any liability of Adersoft will be limited exclusively to refund of the license fee paid to Adersoft. Except to the extent expressly prohibited by applicable statutes, in no event shall Adersoft, or its principals, shareholders, officers, employees, affiliates, contractors, subsidiaries, or parent organizations, be liable for any indirect, incidental, consequential, special, or punitive damages whatsoever relating to the use of Vbsedit, or to your relationship with Adersoft, (including, without limitation, loss or disclosure of data or information, loss of profit, revenue, business opportunity or business advantage, or business interruption), whether based upon a claim or action of contract, warranty, negligence, strict liability, contribution, indemnity, or any other legal theory or cause of action, even if advised of the possibility of such damages.

In addition, in no event does Adersoft authorize you or anyone else to use Vbsedit in applications or systems where Vbsedit's failure to perform can reasonably be expected to result in a significant physical injury, or in loss of property, or in loss of life. Any such use is entirely at your own risk, and you agree to hold Adersoft harmless from any and all claims or losses relating to such unauthorized use.

General

This License is the complete statement of the agreement between the parties on the subject matter, and merges and supersedes all other or prior understandings, purchase orders, agreements, and arrangements. Any waiver by Adersoft of any violation of this License by you shall not constitute, nor contribute to, a waiver by Adersoft of any other or future violation by you of the same provision, or any other provision, of this License. If any part of this License or the application thereof to any person or circumstance is for any reason held invalid or unenforceable, it shall be deemed severable, and the validity of the remainder of this License, or the applications of such provision to other persons or circumstances, shall not be affected thereby.

Vbsedit 23.x Standard License

This license applies to the standard-licensed version of Vbsedit®. If you have an evaluation version of Vbsedit, see the section titled "Vbsedit Evaluation License".

Your Agreement to this License

This License only applies to the English-language version of the Vbsedit software and its accompanying files, data and materials ("Vbsedit"). You should carefully read the following terms and conditions before using, installing, copying, or distributing this software. Unless you have a different license agreement signed by Adersoft SARL ("ADERSOFT"), your use, installation, copying, or distribution of Vbsedit indicates your acceptance of this agreement ("License").

If you do not agree to all of the terms and conditions of this License, then: (a) do not use, install, copy, or distribute any copy of Vbsedit with which this License is included, and (b) in addition, if you paid Adersoft or an authorized Adersoft reseller for a package consisting of one or more copies of Vbsedit, you may return the complete package unused, within thirty (30) days after purchase, for a full refund of the license fee.

The terms and conditions of this License describe the permitted use and user(s) of each Licensed Copy of Vbsedit. For purposes of this License, if you have a valid single-copy license, you have the right to use a single "Licensed Copy" of Vbsedit.

Scope of License

Each Licensed Copy of Vbsedit may either be used by a single person who uses the software personally on one or more computers, or installed on a single workstation used nonsimultaneously by multiple people, but not both. This is not a concurrent use license.

Each Licensed Copy may be accessed through a network, provided that you have purchased rights to use a Licensed Copy for each workstation that will access Vbsedit through the network. For instance, if 8 different workstations will access Vbsedit on the network, you must purchase rights to use 8 Licensed Copies of Vbsedit, regardless of whether the 8 workstations will access Vbsedit at different times, or concurrently.

All rights of any kind in Vbsedit which are not expressly granted in this License are entirely and exclusively reserved to and by Adersoft. Vbsedit is protected by the French laws and other applicable laws and treaties. You may use, install and distribute Vbsedit solely as expressly provided in this License. You may not rent, lease, loan, sublicense, modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on, Vbsedit, nor permit anyone else to do so. You may not make access to Vbsedit available to others in connection with a service bureau, application service provider, or similar business, nor permit anyone else to do so.
